- Overall GPA 4.2 out of 4.5 equivalent to an A

### Related Courses:

Client-Side Web Development	Web Interface Design	Web App Development
Software Requirement Engineering	Software Systems Design	Java Programming
Programming (C# .NET, OOP)	Intro to Databases	Intro to AI

## ACADEMIC PROJECTS

### Banking Application

**Mar 2022 – Apr 2022**

Centennial College, Scarborough, ON

- Implemented a banking application based on the object-oriented concept of C#.NET.
- The application consists of eleven classes, two structs, one interface and two Enums coupled in varying degrees of tightness. The Bank class was the main driver of the application. It has a collection of Accounts and Person that is initialize appropriately in the static constructor. The entire system was implemented in Visual Studio.

### **SRS Document for a Mobile App**

**Jan 2022 – Apr 2022**

Centennial College, Toronto, ON

- Prepared an SRS (Software Requirement Specification) for an app called "All You Can Cook".
- The document described how the software will work, stakeholders, all the functional and non-functional requirement, and diagrams to show the performance of the app.

### **Website for a Real Estate Agent**

**Nov 2021 – Dec 2021**

Centennial College, Toronto, ON

- Designed a responsive, user-oriented marketing website for a local real estate agent to showcase their listings and available properties using HTML5 and CSS3.
- The website consists of 7 web pages: Home page, 3 property listing pages, available properties for sale, contact form, site map, and credits page.

## **OTHER EXPERIENCE**

---

### **Social Media Coordinator**

**Jun 2022 – Present**

Desi Kitchen, Etobicoke, ON

- Manage Facebook, Instagram, and website of a catering business independently
- Track social media metrics to determine audience growth rate, volume, and reach
- Use editing and graphic design tools to create content and visuals for social channels

## **EXTRA CURRICULAR ACTIVITIES**

---

- Working on new software project
- Designing web pages with new graphical tools
- Learning new programming languages
